## FREE PHONE SERVICE TO SAN JOSE WOULD INCREASE FIXED RATE

### MANAGER EXPLAINS RATE SYSTEMS TO C. OF C.

Elimination of the five cent tolls between San Jose and Campbell would greatly increase the cost of local telephone service here, Chas Moore, traffic manager of the northern district of the Pacific Telephone company, told the Chamber of Commerce Tuesday night, following his introduction by E. W. Rideout, manager of the San Jose district.

He pointed out that Campbell subscribers would become a part of the San Jose system and would necessarily pay San Jose telephone rates, plus the mileage costs from San Jose to Campbell, unless they received farmer line or suburban service. San Jose rates average a dollar higher per month than Campbell rates, while the mileage charges are 25 cents per quarter of a mile per month.

These charges would be necessary, Mr. Moore explained, because Campbell is outside the "base rate area" of San Jose. In the metropolitan base rate area, the cost of supplying service is practically the same for each patron. But service to Campbell, separated from San Jose by a fairly large undeveloped territory, would cost much more and the rates would have to be higher.

Telephone bills in Campbell, if San Jose service were instituted, would average $7.19 per month, instead of $2.97 as they now do, Mr. Moore stated. Farmer line charges would be $10 or $20 a year instead of $3 and $6 a year as they now are, he added.

Campbell subscribers once paid San Jose rates, with no mileage charges, the district manager admitted. But in May, 1919, the railroad commission increased San Jose rates and gave the Campbell subscribers their own system at low rates, with a toll charge for San Jose calls. This was not a wartime measure, it was emphasized, but a permanent one designed to eliminate costs and to give local service at lower rates. The commission probably would not have allowed Campbell subscribers to continue receiving San Jose service without paying mileage charges.

Mr. Moore further pointed out that San Jose service is called for frequently by only about 27 per cent of the Campbell subscribers. He stated that free telephone service between the two localities might introduce San Jose merchant competition into Campbell business.

S. N. Hedegard presented the Campbell difficulties, picturing the community isolated in the midst of a San Jose phone area, with local businessmen suffering because outside customers went elsewhere rather than pay five cent tolls.

The foreign exchange service or the intercity service, he was told, have been initiated for the sake of such businessmen. Through the foreign exchange service the subscriber may have a San Jose telephone, paying regular San Jose rates plus mileage charges, just as he would do were Campbell in the San Jose system. The intercity

## Rebekahs Entertain District President

The Ada Rebekah lodge entertained Mrs. Irene Carter, district deputy president of district No. 3, and her staff at an inspiring and dignified formal function in the lodge rooms Tuesday night.

Mrs. Carter visited the lodge to instruct its members in their secret work.

The hall was gorgeously decorated with autumn flowers and berries. As Mrs. Carter and her staff entered it they were greeted by Mrs. Horace Lea and Mrs. Don McQueen who presented them with dainty corsages. Miss Josephine LaBarbara sang the "Welcome Song."

Gifts were presented on behalf of the lodge to Mrs. Carter by Mrs. McQueen and to Mrs. Frances Loughhead, deputy marshall of the district, by Mrs. Lea. Both Mrs. Carter and Mrs. Loughhead spoke at the evening's meeting.

Mrs. Mary McCoy, trustee of the orphan's home at Gilroy, was also one of the evening's speakers. She announced the institution of a junior branch of the Rebekahs, called the Theta Rho Girl's club, and asked, and received, the cooperation of the Campbell lodge. The girls' club is sponsored by the Stella Rebekah lodge of San Jose, of which Mrs. McCoy is a member, and is the first club of its kind to be organized in California.

An inspiring message was also given by Mrs. Martha Rourke, noble grand of the Josephine lodge of San Jose.

A musical program followed the regular meeting. Miss Olga Brydon gave a piano solo. Miss Josephine LaBarbara presented several vocal selections. A clarinet solo was given by Miss Betty Keesling.

After the entertainments were concluded the lodge members adjourned to the banquet hall where they found long tables beautifully decorated with autumn colors and baskets of grapes and lighted with orange and green tapers.

Mrs. Lillian Ohlen, Mrs. James Burns, Mrs. Al Bulmore, Mrs. Archie Brydon, and Mrs. Marie Larocca were in charge of the evening's meeting.

## *MRS. M. HAWORTH GIVEN SURPRISE BRIDAL SHOWER*

Friends of Mrs. Margaret Haworth surprised her with a charming party in her home Tuesday night. A colorful set of pottery was presented her as a symbol of their felicitations on her recent wedding.

Participants in the affair were Mesdames Margaret Singleton, Lillian Roberts, Emma Wilson, Mabel Davidson, Frances Swain, Marion Plumm, Maude Sourisseau, Ruth Stuart, Bernice Saveker, Ruth Cooke, Eva Rector, Irene Burns, Deborah Thompson, and the misses Gertrude Laidlow, Phoebe Pugh, Edythe Bell, Adele Grandeman, Ora Jasper, Dorothy Merriman, Hancie Naylor, Mary Fablinger, Priscilla Wightman, Rowena Farman and Frances Forward.

## Benson Advocates Farmer Cooperation

"Prosperity will come to the American farmer when he has perfected his cooperative organizations. Farmnig and marketing of farm products are scientific operations. Farming and marketing of knowledge of political economics, and understanding of distribution problems. Since individuals may not be capable enough alone to fight the world, the farmers should pool their knowledge and their intelligence."

This was the opinion of Frank Benson, speaking at the Grange "booster" meeting Friday night. Mr. Benson felt that the future for American farmers was bright because they "are the best cooperators in the world," as evidenced by their activities in Grange and in marketing associations.

Mrs. Jessie McChesney, lecturer of the Orchard City Grange, presided at the booster meeting Friday night. She introduced W. M. Woodbury, worthy master, who welcomed the guests and emphasized the Grange ideals of good living and happy homes.

An excellent program was presented by Mr. and Mrs. Mervyn Keesling and their five children, Betty, Mona, Reynold, Robert and David, who formed an entire orchestra. They played "Drummer Boy," "Enchanted Dreams," "Tromboneski," and "Rodeo."

Mrs. H. M. Shadle, accompanied by Miss Katherine Wood, added to the evening's pleasures by her two solos, "When Song is Sweet," by San Souci, and "Call Me Back," by Denza.

The power of the Grange was proven by R. G. Pettit, formerly state Grange master, who gave a brief history of the organization and described how it brought about rural free delivery of mail, the organization of a United States Department of Agriculture, and prevented the renewal of patents on sewing machines.

Mrs. Henry Boogaert and Miss Louise Boogaert of the Mt. Hamilton Grange, presented two piano

## School Serves Free Lunches to Needy

Beginning Monday, the Campbell Union Grammar school cafeteria continued its last year's practice of supplying free lunches to needy children.

Miss Rowena Farman, assisted by Mrs. Mary Evans and Mrs. Hattie Gardner, is in charge of this worthwhile work. These woman endeavor to offer the children well-balanced, nourishing meals.

The work has been made possible through Community Chest funds, through the cooperation of the P. T. A., and through individual donations. Much fruit has been given to the school by the J. C. Ainsley Packing company.

Anew system has been initiated this year of careful investigation of supposed needy cases. A committee has been appointed composed of representatives of the various school districts, who will meet weekly with Mrs. A. C. Girard, school nurse, to consider applicants for the free noon lunches. Members on the committee are Mrs. W. I. Merrill, Campbell district; Mrs. J. B. Collins, San Tomas district; Mrs. Will Porter, Meridian district and Mrs. W. Van Every, Hamilton district.

## *MRS HORACE LEA GUEST OF HONOR AT BRIDGE PARTY*

Mrs. Ethan Lanphear was hostess to a group of friends at a dessert bridge at the St. John-Whitney summer home in the foothills near Saratoga Tuesday afternoon. The party was in honor of Mrs. Horace Lea whose birthday was on that day.

The twelve guests were seated at a long table attractively decorated in yellow and green. A beautiful cake with colored candles and unusual holders graced the center of the table. Following the dessert, gifts were given to the guest of honor.

Three tables of bridge were in progress during the afternoon with Mrs. Bert Young wining the lovely prize for high score. Mrs. Neil O. Best received a prize for second high score and Mrs. Earl Young and Mrs. W. H. Gullick won prizes for having low and second low scores.

Those enjoying Mrs. Lanphear's hospitality were Mesdames Frank Anderson, Julius Bachman, Neil Best, Ida Bruegge, Bloyd Bohnett, W. H. Gullick, Richard Knappen, Horace Lea, E. W. Ohlen, Bert Young and Earl Young.

## *CATHOLIC CHURCH GIVES CARD PARTY*

The people of St. Lucy's Catholic church gave a very successful card party Friday night in the Communiay hall. Mr. Joseph Gomez was in charge of the affair. Prizes and refreshments were furnished through the cooperation of the church members.

## ARCHIBALD ELECTED HEAD OF LOCAL CHEST COUNCIL

The Campbell Community Council (Campbell branch of Santa Clara County Community Chest) met last Friday night at the water company office for the purpose of hearing reports from participating organizations, electing officers for the ensuing year, establishing the budget and planning the campaign for funds for 1933.

The following officers and directors were chosen to serve during the year 1933: Roy G. Archibald, president; W. R. Coupland, vice president and campaign manager; Mrs. Gordon Ainsley, recording secretary; G. E. Farley, financial secretary; Walter Stray, Mrs. Marian Cox, Mrs. Harry C. Smith, Carl B. Field, Ralph H. Hyde, S. N. Hedegard and C. H. Whitman, directors.

The matter of securing sufficient funds to properlyy take care of relief work in the community was given the first consideration in the discussion concerning the raising of funds for next year. Reports from outside communities indicated that in every instance the needs of other organizations were taken care of only to the extent possible after making full allowance to the demands of relief committees, and it was felt that Campbell should do the same at the present time.

The budget for 1932 called for $1,000 for the Campbell Relief society and with the many demands made on them during the last nine months they are going to have all they can do to make the meagre balance on hand carry them for the balance of the year. Approximately $350 of their funds have been spent through the schools in this district, giving food and help to needy children; over 300 individuals have been assisted with food, medicine, etc., and many other relief needs have been cared for after an investigation by our very able committee consisting of Mrs. W. I. Merrill, Mrs. A. D. Rice and C. H. Whitman.

The relief committee anticipates that demands on them during the next year will be greater than in the past and have placed their budget at $1,400. The council, feeling that everything else should be subrogated to the needs of relief, therefore established their 1933 budget at $2,100: $1,400 for the local relief society, and $700 to go to the Santa Clara County Community Chest, the principal amount of which will be used in relief work over the county by such organizations as the Salvation Army, Children's Aid society, etc.

The fact that the campaign for funds is totally for the relief of the needy does not mean that funds are not going to be provided for the proper operation of the library. During these times, when people have more leisure than is usually the case, the library affords an excellent opportunity to put in the time profitably and pleasurably, and it is the intention of the council not to curtail in any way the operation of this necessary community enterprise. Funds are in hand to take care of the necessary

## U. S. POSTMASTER WANTS TWO-CENT STAMP RETURNED

Postmaster General Brown, once a patron of the three cent stamp, now advocates returning to the two cent stamp, according to his statement in a recent issue of the Pathfinder.

He states that the postoffice is losing money on the new issue because large companies are saving money by mailing their bills on postal cards and listing convenient banks which will take payment.

Thus Uncle Sam loses two cents which might have been spent on letter postage, two cents on bank checks, and three cents on remittance postage. He gets merely one cent, where he might have received eight cents and used to receive four cents.

It is prophesied that the government will speedily return to the two cent postage rate.

Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created

**TITUS-PEARLS**

to help the millions of men and women who have lost or are losing their vital physical power. In his 35 years of practice and research, however, he realized that the weakening of man's glands was also responsible for other troubles: *High blood pressure, hardening of the arteries, physical exhaustion* after work or exercise, *dizziness, depression, neurasthenia,* etc.

All these troubles can be removed with *Titus-Pearls.* Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute.

L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental powers dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day. 2 weeks later the medical report on this man was:—General health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of his life.

Start regaining your youthfullness now! To-day! In 2 weeks time you will be aware of the new, virile force within you. Send $5.00 (cash registered or money-order) for 2 weeks treatment. C. O. D. Orders accepted. Write for booklet.

service allows the subscriber to pay a small charge and to assume the cost of all incoming five cent tolls.

G.P.Wallick, also of the telephone company, explained that just two kinds of telephone service are offered: local exchange service, and interexchange service, or long distance service. If Campbell subscribers wish San Jose local exchange service they must pay for the costs. And at present, he emphasized, Campbell pays the lowest rate of any community in California receiving 24-hour service.

Finally, it was explained, the railroad commission might object to placing Campbell in the San Jose system on an equal footing with San Jose subscribers, since it would establish a dangerous precedent.

Dan Yeager, Dr. W. I. Merrill, and S. N. Hedegard were appointed by H. M. Shadle as a committee to examine the telephone situation.

Wendell Thomas, president of the Santa Clara County Consolidated Chambers of Commerce, appeared at the Tuesday meeting, praising the value of its discussion, and announced that he would speak at the next regular meeting of the organization.

Miss Elsie Swanson spent Friday visiting friends in Palo Alto.

# Orient Conditions Discussed By Woman's Club

Members of the Country Woman's club enjoyed the second program of the club year Monday when "Present Conditions in the Orient," the topic for consideration, was of special interest, following the days' news from Manchuria.

Mrs. George W. Page, chairman, presided, and presented Miss Katherine Wood, who played two numbers by the Russian composer, Scriabin, an "Etude" and a "Mazurka." She read a few notes relative to his work, and played the scale which he used. As the concluding number of the program she gave a fine interpretation of Rachmaninoff's "The Clown."

In a few words, illustrated by a map, Mrs. Page showed the present holdings of Japan along the eastern coast of China and showed how they are attempting to shut that country off from access to Manchuria. She also referred to the Lytton commission which Japan asked the League of Nations to appoint to investigate conditions and the announced date for its published report.

Mrs. L. J. Carboni gave a brief history of the origin and composition of the Japanese race with a few contrasts with the Chinese. She quoted from E. Alexander Powell, noted war correspondent, and from former Gen. William Mitchell.

Present conditions in China were explained by Mrs. Rose Hanger, who read a very interesting letter written by a nurse whose hospital was in the bombed section of Shanghai.

A brief contrast of ancient and modern systems of education in China was given by Mrs. Lillian Voge, with a brief review of "Grass Roof," a book by a young Korean student.

During the business hours Mrs. C. H. Whitman reported the county federation meeting held in Santa Clara recently.

Mrs. H. C. Smith announced a card party to be held Nov. 12 in We and Our Neighbors club house, under the auspices of all the federated clubs of the county. The proceeds will be added to the student loan fund which the federation is raising. Local reservations may be made with Mrs. Milton Francis, Route 3, Los Gatos, or Mrs. Harry C. Smith, Campbell.

Mrs. Harry Williams of San Jose was present and spoke of the Good Will Industries, asking the help of the community in furnishing articles to be repaired and reconditioned by the aged and handicapped people employed at their plant.

Sen. Herbert Jones will speak at the Oct. 17 meeting on the amendments which will be on the November ballot. All ladies of the community are invited to hear Senator Jones.

## KIWANIS NOTES
By Heck

Tuesday was Kiwanis election day! Another election day! And what a day! The intelligent voters did their duty, 100 per cent voting. The newly elected officers are: President, Roy Archibald; vice president, Guy Farley; treasurer, George Robson, and directors, S. N. Hedegard, J. Ed Wiesendanger, J. Ed Fanning, Carl Field, George Burrows, Harold Cramer and T. A. Cutting.

Retiring President Ira Abbott had planned a real treat in the way of special music by the beginners in grammar school orchestra and how that class can play. The progress made in this two weeks of school under Director A. A. Thielke was the marvel of all who heard them. Thanks, chief, do it again.

Ira then showed a reel of pictures depicting the progress of the public schools in this country.

The public school is the greatest public investment and the safeguard of democracy. This institution must be maintained and at the height of efficiency.

It was anounced that 18 of the members had registered for attendance at the district convention to be held at San Francisco Oct. 20-21.

## LOCAL GRANGERS HEAR SEHLMEYER ON SCHOOL TAXES

Fourteen members of the Campbell Grange attended the meeting at Mt. View Saturday for the purpose of hearing George Sehlmeyer, master of the state Grange, explain the proposed state amendment No. 9.

Orchard City Grangers attending were Mr. and Mrs. Harry Barnes, Mrs. Brundett, Mr. and Mrs. W. M. Woodbury, Mrs. Raab, Werner Raab, Mr. and Mrs. Lawrence Hendricks, Mrs. Jessie McChesney, Mrs. W. Lester, Mr. and Mrs. H. C. Skow, Mrs. Charlotte Sutter, and Miss Evelyn Voge.

Mr. Sehlmeyer listed the advantages of the proposed amendment which plans to take from the county the burden of supporting schools and placing that burden upon the state. He said that the amendment makes provisions for a tax on net incomes and a selective sales tax, which will relieve the common property tax payer.

The State Grange master emphasized the fact that an income tax would reach many wealth owners now paying few or no taxes, and that the selective tax would not be on necessities. He said that the new law would safeguard the local control of schools, would do away with frozen funds, and would not increase the amount necessary for teachers' salaries.

"We'll fight hard for this amendment," Mr. Sehlmeyer stated. "It will benefit the farmer and land owner tremendously and will aid in eliminating special privilege from the tax system of the state."

Mr. and Mrs. Richard Knappen, Miss Gertrude Boehme, MissHazel Baker, Richard Robinson and Carl Johnson were guests of Dr. and Mrs. F. R. Anderson and family at a barbecue Saturday night at the Barry cottage in the Santa Cruz mountains.

Mrs. Gordon Ainsley returned Monday evening from a two weeks' vacation in Carmel.
